SUMMARY

AI Researcher with 6 years of experience in deep learning and large language models.

SKILLS

Python, PyTorch, TensorFlow, Deep Learning, Machine Learning, NLP, Transformers, Statistics, Scikit-learn, Pandas, NumPy, SQL, Git, Docker, AWS, Data Visualization, Research

EXPERIENCE

Senior AI Researcher, NeuralLab (2020 - Present)
- Fine-tuned transformer models for document classification and semantic search.
- Published 4 papers on NLP and model evaluation.

Data Scientist, Insight Corp (2018 - 2020)
- Built recommendation systems and forecasting models with Scikit-learn.

EDUCATION

PhD Computer Science, University of Bologna, 2018
